OTHER OPTIONS

DINNER ON FRIDAY:

We will provide pizza beginning at 5:15 PM on Friday for \$5.00 per person. You may pay this amount during the online registration process.

PARENT PARTICIPATION:

Do you play an instrument? Bring your instrument with you and if we need some pinch hitters to fill out the sections, you might just get called up! Please indicate at registration if you plan to play so we can create a folder for you.

Why? This event will be a chance to unite other homeschool band students in our love for making music. Often our groups are small but when we combine together we will have a much more satisfying musical experience.

What to wear? During the rehearsals you may wear “normal” clothes. The temperature in the rehearsal area is often cool. You might bring a light jacket if you are cold natured. For the concert, please choose something that is “dressy casual”. Ladies please choose a

modest dress or skirt of appropriate length. You will be on an elevated platform. Guys please choose slacks and a collared shirt (golf or button up will be fine)

REGISTRATION

Your director will email you a registration link soon.

The cost is **\$15.00** per person. Additional students from the same family will be **\$12.50** each. You may pay the registration fee and money for meals (if you choose that option) from this link.

LUNCH ON SATURDAY:

We will provide lunch from Chic-fil-A on Saturday for \$6.50 per person. You may pay this amount during the online registration process.

LEAD WORSHIP SUNDAY:

We would love for your family to worship with us on Sunday. If you would be interested in having your children play with our adult orchestra during the 9:00 and 10:45 AM worship services on October 22nd, please indicate your desire during the registration process so we can send them music to prepare ahead of time. We would rehearse beginning at 8:15 AM on Sunday morning.
